

## Application to request funding from Abbeyhill Parent Council

<p>Name and email of person applying (if a member of the parent forum, please give the name of a supporting staff member):</p> <p>Jennifer Graham, PC Chair, Abi Flowers, P7 Teacher, Moira Robertson, Head Teacher</p>	
<p>Briefly give details of what you wish funding for and why it is needed:</p> <p>Funding to support P7 residential camp. Costs for transportation to the camp have increased significantly for this year, well beyond the already high cost of living pressures. We are keen to not pass these costs on to the children attending camp. P7 have been fundraising towards the camp and this increase in costs themselves, however there is still a shortfall.</p>	
<p>Explain why this funding is not available elsewhere:</p> <p>Passing the additional costs for transportation onto the families of the children attending camp could put attendance out of reach for some children. We are keen that all P7 pupils have the opportunity to experience the camp despite the unexpected increased cost pressure</p>	
<p>Advise the impact it will have on pupils:</p> <p>The residential camp provides pupils with outdoor learning opportunities that help them to work on teamwork, leadership and resilience. The camp is also a first opportunity for some to be away from home without parents.</p>	
<p>How much is required? £298.89</p>	
<p>Would a contribution towards the full request be acceptable if the full funds are not available?</p>	<p>Yes</p>
<p>Will you be able to supply official estimates of costs?</p>	<p>Yes</p>
<p>Other Relevant Information</p> <p>The funds requested are equal to the funds raised by the P7 house captains from selling the fundraising calendar at the school nativity. Without the house captains taking on this task there would have been no sales on the day as the adult sales team were not available.</p>
