Briefly give details of what you wish funding for and why it is needed: *

For the last few years, the P7 children have received Leaver hoodies to remind them of their time at Abbeyhill. The parent council has been funding half of the cost of these. This request is for approval from the parent council to again fund half the cost of the sweatshirts for the coming year, for the expected 21 pupils who will form the P7 class in 2023-2024

Explain why this funding is not available elsewhere: *

This has been a gift to the P7 pupils for a number of years and it will likely be particularly welcomed this year whilst costs continue to be high for many. This will ensure that all P7 pupils are able to come to school wearing uniform that would not be available through e.g. the uniform exchange as sweatshirts of appropriate sizes are not handed in.

What impact will it have on pupils? *

This will allow each P7 pupil to receive a printed hoodie that will be a lasting memento of their time at Abbeyhill. The hoodies form part of the uniform of the p7 pupils and will be worn daily.

How much is required? *

£178.40

Would a contribution towards the full request be acceptable if the full funds are not available? *

☐ No

Will you be able to supply official estimates of costs? *

Other Relevant Information

The uniform supplier has quoted a price of £16.99 per hoodie this year, for a group of 21 pupils. The funds requested represents 50% of the expected cost of the sweatshirts
